

Year 9 Subject Options

ART

Qualification: Certificate in Art and Design

Exam Board: NCFE

Level of Achievement: Level 1

Subject Content & Key Points

This course will give a basic introduction to the materials and techniques that are used in Art and Design and is roughly equivalent to a D-G grade at GCSE. The course provides a qualification which is ideally suited for those who wish to progress onto an art related Level 2 course .

Students will have the opportunity to investigate a range of techniques working in two and three dimensions including drawing, painting, printing, sculpture and digital media. They will research and use artists, craftspeople and designers as stimulus for individual work.

Assessment – How you will get your final grade

Students will produce sketchbook work and personal responses to set project briefs. The completed portfolio will be assessed at the end of the course.
