

Year 9 Subject Options

GCSE Business Studies

Qualification: GCSE Business Studies

Exam Board: Edexcel

Level of Achievement: GCSE Grades 9 – 1

Subject Content & Key Points

In Business Studies you will learn more about how small businesses are established, developed become successful, while looking at current affairs and the impact of the wider business world.

The main areas of learning include:

- Introduction to business & legal start-ups.
- Entrepreneurs & Asset Protection
- Customer Needs & Consumer Law
- Productivity & Competitiveness
- Marketing
- Human Resources & Employment Law
- Finance & Accounting
- Economics
- Ethics & Current Affairs

In business, we try to make learning fun and enjoyable for all, and therefore we link all activities to real businesses, such as Coca Cola, Our Cow Molly, Apple, etc. We also investigate worldwide events and current media stories, which affect our daily lives and businesses.

Assessment – How you will get your final grade assessment

The GCSE Business course will be assessed as two different elements, which will consist of:

Theme 1: Introduction to small business (50% - 90 minute exam)

Theme 2: Building a business (50% - 90 minute exam)

All exams are taken in June 2019 – all of which will be sat in Year 11.
