

Year 9 Subject Options

Design & Technology

Qualification: GCSE Design and Technology

Exam Board: AQA

Level of Achievement: GCSE grades 9 - 1

Subject Content & Key Points

This qualification replaces GCSE Electronics, Resistant Materials and Textiles by combining the three subjects into an over-arching Design qualification. The new GCSE places greater emphasis on understanding and applying iterative design processes. Students will use their creativity and imagination to design and make prototypes that solve real and relevant problems, considering their own and others' needs, wants and values.

Assessment – How you will get your final grade

There is an external assessment worth 50% of the final mark. The other 50% is assessed internally with the emphasis being placed on a long form written report.

Subject Teachers:

- Miss D Cawley
- Mr J Swain
