

KS3 Geography aims to cover a range of physical and human topics which is in line with the National Curriculum. There are a range of assessments, ranging from end of unit assessments, speeches, group tasks and extended projects. Students are encouraged to take an interest in the World around them and wherever possible lessons include case studies of events happening around the World at the time.

Y7 - Geographical Skills, Identity and Community, Festivals, Weather and Climate.

Y8 - Natural Hazards, Coastal Environments, Brazil, Can the earth cope?

Y9 - Tourism, Global Fashion, Development, Comparing countries.
