

Year 9 Subject Options

Technology - Craft

Qualification: NCFE LEVEL 1 CERTIFICATE IN CRAFT

Exam Board: NCFE Level 1

Level of Achievement: GCSE Grades 9 - 1

Subject Content & Key Points

This qualification is suitable for learners aged pre-16 and above. This qualification is designed for learners with an interest in craft and can be delivered in a variety of contexts. Examples could include wood crafts, floristry, textiles, garment making, stained glass, cake decoration etc.

This qualification shows learners how to develop a broad understanding of craft skills, use a variety of tools and materials, use their knowledge of the chosen craft to produce an item in response to a brief or scenario, use different craft techniques and raise awareness of working safely and securely when creating their craft item.

Assessment – How you will get your final grade

The assessment for the NCFE Level 1 Certificate in Creative Studies:

Craft is an internally assessed portfolio of evidence. This will be graded by centre staff and externally moderated by NCFE.
