

## Y8 Science Teaching Programme 2013-2014

Half Term	Red and green band Topics	Blue band (G7-9) Topics
Summer 2	EF then AF3	EF then AF3
Autumn 1	AB then AF4	AB then AF4
Autumn 2	IJ then AF5	J then AF5
Spring 1	KL then AF2	K then AF2
Spring 2	GH then AF1	G then AF1
Summer 1 (short half term)	D	D

8A - Food glorious food

8B - Going for gold

8D- The way of the dodo

8E- Water

8F- Materials and recycling

8G- All that glitters

8H- Explaining the earth

8I- Heat transfers

8J- Forces and transport

### AF SKILLS

These cover the core skills required for scientific investigation

AF1 = Thinking scientifically.

AF2 = Understanding the applications and implications of science

AF3 = Communicating and collaborating in science

AF4 = Using investigative approaches

AF5 = Working critically with evidence
