Dear Parent/Carer

We have been contacted by Ofsted who have informed us that they will be inspecting the school over the next two days.

We know that Fir Vale School is a good school and you keep telling us this through the parents' questionnaires that you complete during parents evenings and your feedback when meeting with staff.

We need your help to tell the inspectors how good the school is.

These are some of the things that you have told us that you are proud of:

- your child enjoys lessons and their achievement is very good at the school;
- that the school attendance is over 95%;
- the smarter new school uniform;
- the high number of after school clubs and activities;
- the new Saturday School to support the progress of your child;
- how the school is a very safe site and knowing that no students are allowed out at lunchtimes;
- you have also told us that you like the more regular updates on the progress of your child at the school.

The attached letter is from Ofsted which is your opportunity to tell the inspectors how good the school is. Please do not rely on others to do this for you. Your views and opinions are important to help us to achieve the highest Ofsted categories.

Myself, my Senior Leadership Team and all the school staff value your continued support.

Yours sincerely
