What will I learn?

You will study two mandatory units

R032: Principles of care in health and social care settings

This unit is assessed by an exam.

In this unit you will learn about the key topics that are important when caring for and protecting people in health and social care

R033: Supporting individuals through life events

This unit is assessed by a Set Assignment.

In this unit you will learn about growth and development through the life stages. You will also learn how to understand the needs of individuals who have been affected by life events and how to recommend support to meet their needs.

R035: Health promotion campaigns

This unit is assessed by a Set Assignment.

In this unit you will research health promotion campaign's and learn about their benefits to society. You will also plan and deliver your own health promotion campaign.
